The new location of Easter Seals Goodwill Industries will provide ample space on the first floor to house all of our programs, with administrative offices on the second floor. There is additional space for a new Goodwill Donation Center that will provide employment opportunities for our program participants.

BUILDING OPPORTUNITIES

Easter Seals Goodwill Industries' Naming Campaign

-  *The amounts suggested for the commemorating opportunities do not represent actual costs as there are many portions of the facility which are not suitable for designation.*
-  *In the event changes in the final plans become necessary and such changes affect a selected commemorative opportunity, an equivalent opportunity will be offered to the donor in its place.*
-  *Supporters of the Easter Seals Goodwill Industries Building Opportunities Fund will be gratefully acknowledged by distinctive commemorative plaques displayed prominently in the lobby of the new center.*
-  *These plaques will also be inscribed in the names of donors, or in tribute to those for whom donors wish to pay enduring and significant honor. Donor gifts will be acknowledged as follows:*

Founder	\$25,000+	Incorporator	\$5,000+
Patron	\$15,000+	Trustee	\$2,500+

Building a Brighter Future

The new home of Easter Seals Goodwill Industries offers a variety of opportunities for lasting recognition of your support for the Agency. A commemorative plaque inscribed with your name or someone you would like to honor will provide lasting acknowledgement of your support.

All supporters have the option to make pledges over extended periods rather than cash gifts alone. Pledges may be completed in thirty-six monthly installments, twelve quarterly installments - or on whatever schedule is most convenient to you.
