### **Easter Seals Goodwill Industries to Open Donation Center in North Haven**

**North Haven, CT, May 11, 2012** – Easter Seals Goodwill Industries will be opening its sixth Attended Donation Center in its new headquarters, located at 432 Washington Avenue in North Haven, CT on May 21, 2012.

Easter Seals Goodwill Industries provides programs to improve the lives of people with disabilities and other challenges in the greater New Haven area. A large part of funding for these programs is provided by community donations.

The Goodwill Donate Movement, raises awareness about the importance of donating new or gently used items and the impact those items can have on both people and the planet. Every item donated is used to help support the programs of Easter Seals Goodwill Industries, helping people with disabilities and other challenges to become more proud, self-sufficient and independent. And each item that is donated is kept out of a landfill.

Come and show your support for Goodwill and Donate Movement at the grand opening of the North Haven Donation Center on Monday, May 21, 2012. You can donate all your gently used clothing, housewares, accessories, furniture and more, and leave with the knowledge that your donation is going to help the environment, may qualify you for a tax write-off and help someone with disabilities and other challenges to improve their quality of life.
