LIGHT UP YOUR HOLIDAYS AT THE FANTASY OF LIGHTS!

North Haven, CT, November 5, 2012 – The Fantasy of Lights, presented by Easter Seals Goodwill Industries and sponsored by PSEG has become a holiday tradition for thousands of families. This bright and colorful light display illuminates Lighthouse Point Park in New Haven, Connecticut for the holiday season. The Fantasy of Lights opens on Friday, November 16th and runs through Monday, December 31st. The park opens nightly at 5:00pm and is open until 9:00pm on Sundays through Thursdays and until 10:00pm on Fridays and Saturdays.

Each display is sponsored by a local area business, corporation, individual or organization. This year, many of the displays have gone green with the help of Citizens Bank, our “Green” Sponsor. These green displays have been fitted with new LED lightbulbs, saving both energy and electricity and make the displays much more vibrant. Easter Seals Goodwill Industries is working with display sponsors to convert even more displays to LEDs and hope to soon have an entirely green Fantasy of Lights.

Admission to the Fantasy of Lights is \$10 for passenger cars or family vans, \$25 for 15-passenger mini-buses and \$50 for full-sized buses. All proceeds help to support Easter Seals Goodwill Industries’ mission to enhance employment, educational, social and recreational opportunities for people with disabilities and other challenges.

For more information about the Fantasy of Lights or how you can help out, contact the Development Department at (203) 752-5330 or email events@esginh.org. You can also visit the Fantasy of Lights website at www.eastersealsgoodwill.org/fantasyoflights.
